EXPERIENCE

2022 – TO PRESENT

WEBMASTER WICHITA LODGE #99, WICHITA, KS

- Webmaster for a local Masonic Lodge. Using Squarespace, I am in the beginning stages of revamping their site: revising documentation, rewriting copy, implementing members' area and mail server, and designing the layout with input from their appointed committee.

2021 – TO PRESENT

CONSULTANT WICHITA SCOTTISH RITE, WICHITA, KS

- Took on the role of Web Consultant for the Wichita chapter of the Scottish Rite. Working with WordPress, I have been updating their documentation, restructuring the site flow, redesigning the public-facing and private areas of their site, planning the implementation of payment processing and security measures, and improving SEO ranking. Collaborate with the Scottish Rite, and chair the website committee for the same.

2017 – TO PRESENT

PARTS MANAGER PORSCHE WICHITA, WICHITA, KS

- Manage Parts Department for a luxury automobile dealership. Stay up to date on certifications, product knowledge, and regulations. Manage inventory using proprietary

software systems. Develop and maintain working relationships with internal and external clients.

2015 – 2017

PARTS ADVISOR BMW OF WICHITA, WICHITA, KS

- Parts Advisor for a luxury automobile dealership. Advise internal and external clients on available options. Arrange ordering and delivery of parts.

EDUCATION

A.A. GS/PSYCHOLOGY WICHITA STATE UNIVERSITY

HOBBIES/OTHER ACTIVITIES

- I like to learn coding in my spare time. I'm passionate about improving my skills as a programmer and general problem-solving. Outside of programming, I'm a member of a fraternal organization that raises money for various causes, including children's hospitals. I am a member of a historical research society. I like to read books on philosophy, particularly Stoicism. I play guitar, and have recently returned to collecting vinyl records.
